

## COINAGE OF A ROOSEVELT 2-CENT COIN.

---

JANUARY 17, 1921.—Referred to the House Calendar and ordered to be printed.

---

Mr. VESTAL, from the Committee on Coinage, Weights, and Measures, submitted the following

### REPORT.

[To accompany S. 3774.]

The Committee on Coinage, Weights, and Measures, to which was referred the bill (S. 3774) to authorize the coinage of a Roosevelt 2-cent coin, having had the same under consideration, now reports it back to the House without amendment and recommends that the bill do pass.

The committee is of one mind in believing, first, that there is a genuine need of a 2-cent coin for circulation, and, second, that this would be a fitting manner in which to honor the memory of a great American.
